

Little White Wedding Chapel — Ultimate I Do Package Agreement

Our goal is to exceed every couple's expectation regardless of budget! In order to provide our World Famous chapel experience, please review and commit to our policies as detailed in this Ultimate I Do Package Agreement below.

PAYMENT CONFIRMATION

Even though your initial payment and ceremony confirmation confirms your agreement to the terms and conditions listed below, we require every couple to carefully read and understand the information contained within this document. This Agreement begins the reservation and planning process.

For all services, this Agreement must be confirmed by Party 1 and Party 2 of the couple listed on the ceremony, contract, and Marriage License (when applicable). Therefore, the obligation and agreement for contracted terms of service are between Little White Wedding Chapel, and Party 1 and Party 2, regardless of any payments made by a third party.

FINAL BALANCE

Your final balance is due 14 days before your ceremony. If your final balance is not paid on time, any upgrades or enhancements — including courtesy limousine service — may be removed from your plan, and your ceremony may be cancelled.

Payments can be made by credit card, debit card, traveler's check, or cash. Personal checks are not accepted. All payments are non-refundable. All payments become non-transferable 7 days before your ceremony.

ARRIVAL TIME AND CHECK-IN FOR YOUR CEREMONY

Couples are required to arrive and check in together, dressed and ready to go, with their marriage license in hand, at least 30 minutes before the confirmed ceremony time.

There are no areas to get dressed, or put on makeup, etc. Additionally, there are no areas available to keep couples separated for a "First Glance" at the ceremony.

COURTESY LIMOUSINE SERVICE

Ultimate I Do includes courtesy limousine service. Please review the following before your ceremony:

Courtesy Limousine Service is not available for residential areas or locations outside the travel radius. The travel radius for the Courtesy Limousine Service is Las Vegas Boulevard (main strip corridor) between the South Point Hotel and the Downtown area near Fremont Street. Check with your Wedding Planner to confirm if your hotel is within the travel radius. To confirm your pickup location or room number, contact your Wedding Planner at (800) 545-8111 or (702) 935-4072.

A total of 6 passengers are welcome to ride in the limo. Car seats may be legally required but are not provided by Little White Wedding Chapel. Children less than or equal to 57 inches and under 6 years of age must ride in a child seat provided by our wedding couples.

Little White Wedding Chapel does not provide wheelchairs.

Transportation details, including your desired pickup location and return location (if different), must be confirmed no later than 7 days prior to the ceremony.

Due to the volume of transportation and wedding ceremonies scheduled each day, we are unable to change your pickup or drop-off locations on the day of your ceremony. Please ensure your transportation plans are confirmed and firm in advance.

Pick-up times are scheduled approximately 45–60 minutes before your ceremony, based on package details, location, and road conditions. The chapel will coordinate with your driver to ensure appropriate arrival timing. Please be dressed and ready by the time your driver arrives.

Please note that cell phone reception can be unreliable inside many hotels, and each property has its own specific pickup location. We recommend waiting in your room for your driver's call — they will confirm the exact pickup time and the exact pickup location for your hotel.

Please remember to bring your marriage license, wedding rings, identification, and credit cards or cash for gratuities, extra purchases, or incidentals.

The Limousine Drivers operate on a tight schedule and are subject to a variety of traffic conditions. Hotels will not allow the Driver to "wait" or "linger" near the hotel, and the Driver is not permitted to wait past the scheduled pickup time provided. If you are not at the planned pickup location on time, or if the Driver is unable to locate you, this will result in the limo being relocated and perhaps cancelled entirely. Should that happen, you will be responsible for your own

transportation, and this may also require a forced rescheduling of your ceremony with the associated \$100 fee as noted in our Rescheduling and/or Cancellation policy below.

LATE ARRIVAL BY THE COUPLE

Due to the high demand and popularity of Little White Wedding Chapel, if you do not check in at least 30 minutes before your ceremony time, or you forget your Marriage License, you may need to reschedule your ceremony and/or venue to the next available timeslot (which could be hours later - including the next day - or a completely different venue, meaning your ceremony may be moved to one of our nearby sister chapels.) This will result in a \$100 rescheduling fee, which must be paid in full before your ceremony starts. No refunds or credit will be issued if you miss your check-in time.

Additional talent or enhancements, including courtesy limousine service and guaranteed photo time, may also be forfeited.

LATE GUESTS

We are unable to hold the chapel venue, or delay your ceremony to accommodate late guests, family, friends, or wedding party members. Please advise all guests to arrive at least 30 minutes before your ceremony time. We highly suggest being dropped off by a taxi, rideshare, or “party bus” as the small chapel parking lot fills up quickly.

RESCHEDULING AND/OR CANCELLATION

Little White Wedding Chapel offers one complimentary reschedule prior to the final balance due date (14 days before your ceremony.) Any additional schedule changes to the venue, date, or time will result in a \$100 fee.

If you choose to postpone your ceremony prior to your balance due date (more than 14 days before your ceremony), your payments will be transferable for one year from the date of your initial deposit when your ceremony was confirmed.

Cancellations made after the final balance due date (within 14 days before your ceremony) will forfeit your ceremony plan entirely. All payments are non-refundable.

On the day of your ceremony, if you arrive late, or choose to postpone your ceremony to accommodate late guests, certain amenities or enhancements may no longer be available, including courtesy limousine service, extended photography, or specialty floral. All payments are non-refundable.

MARRIAGE LICENSE BEFORE YOUR CEREMONY

A valid Clark County, Nevada Marriage License must be purchased before your wedding. The cost is \$102 cash or credit. This is not included in your wedding package.

You must obtain your Marriage License in person, with your partner, at 201 E. Clark Ave., Las Vegas, NV 89101. Both partners must provide a government-issued ID.

LEGAL DOCUMENTS AFTER YOUR CEREMONY

A Certified Marriage Certificate serves as legal proof of your marriage and can only be obtained after the ceremony. This document is typically available 10 business days after your ceremony. Little White Wedding Chapel offers an expedited processing service starting at \$59.

GUEST COUNT & VENUE CAPACITY

Ultimate I Do includes up to 20 guests.

If you are expecting more than 20 guests, your ceremony will be moved to the Amore Chapel for an additional charge of \$200. The Amore Chapel holds a maximum of 60 guests. Additional fees may apply — please contact your planner for details.

Please note: a “guest” is anyone attending the ceremony including children, wedding party attendants, and personal photographers. These guest numbers are strictly enforced due to fire codes and to ensure the safety of everyone.

PARKING INFORMATION

We highly suggest being dropped off by taxi, rideshare, limousine, “party bus”, etc. as the small chapel parking lot fills up quickly, especially on weekends, specialty days and holidays.

OFFICIANT/MINISTER INFORMATION

A Minister or Officiant Service Fee of \$60 will be added to your package. This fee is separate from, and in addition to, the cost of your ceremony package.

We also encourage a donation or gratuity for your minister/officiant on the day of your ceremony. The suggested amount is \$40–\$60.

LIMO DRIVER GRATUITY

You are welcome to provide a gratuity to your Driver should you feel they exceeded your expectations. The standard guidance is \$40–50 per limousine for wedding day service.

CEREMONY WITNESS

A witness is legally required for each marriage ceremony, but you do not need to provide one. One of your ceremony guests may act as your witness, or a member of our staff will happily sign your legal paperwork as your witness free of charge.

DRESS CODE

You, and your guests, are welcome to dress as formal or as casual as you'd like for your ceremony. We strictly enforce that you must remain fully clothed at all times.

TIME ON THE CHAPEL GROUNDS

Ceremony reservations are booked about every 15 minutes, with the actual ceremony lasting between 7-10 minutes. This includes a required arrival 30 minutes before your ceremony.

For Ultimate I Do couples keeping the included chapel photographer, your photographer will guide you through a checkout process before you depart in your limousine following the ceremony. Expect to depart approximately 45–60 minutes after your ceremony.

If you bring your own outside photographer instead (see PHOTOGRAPHY below), you are responsible for checking in with chapel staff in the lobby 15 minutes after your ceremony to coordinate your limousine return and receive further direction.

FLORAL & DÉCOR

Packages with floral include a choice of red, white, light pink, or hot pink roses with a matching ribbon. Additional rose colors are available starting at \$35 per color. All floral selections must be finalized at least 14 days before your confirmed ceremony.

We do not accept floral deliveries from outside sources — any package floral will be forfeited with no credit. We do not allow decorations including birdseed, candles, bubbles, rice, or confetti anywhere on the property.

PHOTOGRAPHY & VIDEOGRAPHY

Ultimate I Do includes Package 2 photography: ceremony coverage plus a 30-minute mini session around the chapel grounds, with all photos included (color images). Professional videography of the ceremony is also included. Because this session is already part of your package, the online photo-viewing appointment (typically 7-10 days after your ceremony) covers your full gallery.

If you choose to bring your own outside photographer instead of using the included Package 2 session, no credit or refund will be given for the included photography. Because your courtesy limousine return is coordinated through your chapel photographer's checkout process, couples who bring an outside photographer are responsible for checking in with chapel staff in the lobby 15 minutes after the ceremony to coordinate their limousine return and receive further direction.

If you choose to bring your own photographer, please follow these guidelines:

- Notify your planner at least 14 days before your ceremony.
- Notify Chapel staff upon arrival for your ceremony and identify your designated photographer. Your photographer may be asked to log in at our kiosk.
- It is the couple's responsibility to check in with chapel staff in the lobby 15 minutes after the ceremony to coordinate your limousine return, as advised elsewhere in this agreement.
- Personal Photographers must be considered in your total guest count.
- Personal Photographers may not impede your ceremony, nor any other ceremony, and/or chapel staff while inside your venue, or on the grounds before or after your ceremony.

- Guests and Personal Photographers must comply when Chapel staff requests everyone depart from an area or venue, to prepare for the next ceremony.

LIVESTREAMS

At this time, we do not offer ceremony livestreams. You or a guest may livestream your ceremony using your own cell phone, provided this does not impede chapel staff or delay your ceremony.

SERVICE SURCHARGE & PAYMENTS

A Service Surcharge of 19% is added to most products and services. This is separate from, and does not cover, your minister/officiant donation or your limo driver gratuity. Nevada State Sales Tax will be added as applicable.

PROHIBITED ITEMS

Birdseed, confetti, rice, food, or alcohol of any kind are strictly prohibited anywhere on the property. Each instance results in a \$200 fine added to your plan.

Thank you for choosing Little White Wedding Chapel. We look forward to celebrating with you on your special day!
